SUMMARY

Aspiring Full Stack Developer passionate about technology and web development. I have hands-on experience with HTML, CSS, JavaScript, Git, and GitHub, and I enjoy building responsive and user-friendly websites. I have worked on projects like Bite Box, a food delivery website, which helped me develop practical web development skills.

TECHNICAL SKILLS

- **Languages:** JavaScript (ES6+), HTML5, CSS3
- **Front-End:** React.js, Html5, Css3, Bootstrap, React.js
- **Databases:** PostgreSQL, MongoDB, MySQL

PROJECTS

E-Commerce Food Website | HTML5, CSS3, JAVASCRIPT(ES6)

- Built a full-stack e-commerce platform supporting user authentication, product catalogue filtering, and secure payments.
- Developed a responsive food delivery website.
- Design a modern UI with mobile-friendly navigation.
- Integrate a backend for user authentication, online payments and order tracking.
